Sub Re: Tonight
Alright.
I'll be sure to give Kotori-san my big, hard, bitter c*** that has white milk inside.

Kotori's place
Delish
THAT'S GOOD
I didn't think that there'd actually be white stuff inside
It just happened to be the one I bought
But that's strange, "Say Ahhhh"
Hard, bitter
I'm pretty sure you said "big" in your mail as well

...You're right.
The gluttonous Kotori-san won't be satisfied if it isn't big, will she?
Hey, Kotori-san

Which do you want to eat?
The upper mouth or the lower mouth

I'm fine with either
It should be obvious
Well
Well, I'll give you all the white stuff inside the chocolate now
Be sure to drink every last drop, alright?
